4. Child/Youth has significant behavioral, medical or social risk factors which can be addressed through care management.

HOW TO MAKE A REFERRAL

1. Complete the attached Community Referral Application Form.
2. Please make sure the Medicaid CIN Number is on the referral (this is two letters, followed by five numbers, and one letter) **Example: (AA12345A).**
3. Eligibility Category Information: Make sure to specify the diagnosis: **Example (Serious mental illness – 296.8 Bipolar Disorder NOS; Example: Other Chronic Conditions – COPD).**
4. Risk Factor – Give some detailed information concerning child/youth's risk factors: **Example: (Member is at risk for hospitalization due to non-adherence with medication).**
5. No Referral can be processed without the Parent/Guardian/Legally Authorized Representative for Child/Youth consent form, which is included in the Referral. **Referral will not be processed without a consent per DOH.** CONSENT TO DISCLOSURE OF HEALTH INFORMATION from CNYHHN Referral is needed.
6. If you are an agency assisting PARENT/GUARDIAN/LEGALLY AUTHORIZED REPRESENTATIVE FOR CHILD/YOUTH in completing a self-referral, make sure to list your contact information along with the member's information, as the Referral Coordinator may not be able to reach the member which delays the referral process.
7. If Referrals are coming from an inpatient unit, please provide:
 - Name of hospital and contact information for the Discharge Planner
 - Admission and planned discharge date
 - Reason for admission
4. Send the completed application and consent via secure email or fax, or mail to:

CNYHHN, Inc.

326 Catherine St., Utica, NY 13501

CONSENT TO DISCLOSURE OF HEALTH INFORMATION FORM PERMISSION TO USE AND DISCLOSE CONFIDENTIAL INFORMATION

By signing this Consent Form, you permit people involved in your care to share health information so that doctors and other providers can have a complete picture of your health and help you get better care. Your health records provide information about your illnesses, injuries, medicines and/or test results. Your records may include sensitive information, such as information about HIV status, mental health records, reproductive health records, drug and alcohol treatment, and genetic information.

If you permit disclosure, your child/youth's health information will only be used to provide you with medical treatment and related health and social services. This includes referral from one provider to another, consultation regarding care, provision of health care services, and coordination of care among providers. Your child/youth's health information may be re-disclosed only as permitted by state and federal laws and regulations. These laws limit re-disclosure of information about your treatment at a substance abuse or mental health program, HIV related information, genetic records, and records of sexually transmitted illnesses.

Your choice to give or deny consent to disclose your child/youth's health information will not be the basis for denial of health services or health insurance. You can withdraw your consent at any time by signing a Withdrawal of Consent Form and giving it to one of the providers listed on the following page. However, anyone who receives information while your consent is in effect may retain it. Even if you withdraw your consent, they are not required to return your information or remove it from their records. You are entitled to get a copy of this Consent Form after you sign it.

CONSENT TO DISCLOSURE OF HEALTH INFORMATION

1. The person whose information may be used or disclosed is:
Child/Youth: _____ Date of Birth: _____
2. The information that may be disclosed includes all records of diagnosis and health care treatment and all education records including, but not limited to: Mental health records, except that disclosure of psychotherapy notes is not permitted; Substance abuse treatment records; HIV related information; Genetic information; Information about sexually transmitted diseases; and Education records.
3. This information may be disclosed to the persons or organizations listed in following page.
4. This information may be disclosed by any person or organization that holds a record described below, including those listed in the following page.
5. Use and disclosure of this information is permitted only as necessary for the purposes of the provision of delivery of health and social services, including outreach, service planning, referrals, care coordination, direct care, and monitoring of the quality of service.
6. This permission expires on _____ (date).
7. I understand that this permission may be revoked. I also understand that records disclosed before this permission is revoked may not be retrieved. Any person or organization that relied on this permission may continue to use or disclose health information as needed to complete treatment.

I am THE PARENT/GUARDIAN/LEGALLY AUTHORIZED REPRESENTATIVE FOR CHILD/YOUTH UP TO THE AGE OF 18. YOUTH AGES 18-21, OR THAT ARE MARRIED, A PARENT OR PREGNANT MAY CONSENT ON THEIR OWN BEHALF; whose records will be used or disclosed. (If personal representative, parent, or guardian, please enter relationship _____). I give permission to use and disclose my records as described in this document.
